

How can petition for an individual to come to the United States?

In the case of family based immigration, U.S. Citizens (USC) and Lawful Permanent Residents (LPR) may petition for certain family members to become permanent residents. Asylees and refugees may petition their spouses and unmarried children under 21 years of age to join them in the U.S. When it comes to employment based immigration, any U.S. based company may also sponsor and help an individual gain LPR status. The U.S. company must meet several requirements in order to sponsor someone.
